Who is TrailBlazer Finance and what can we do for you?

We are an independently funded specialist lender that has been leading the way in the financial services industry for close to a decade. We've pioneered a new approach to lending money to white collar professionals – one that enables a business to use its recurring revenue or trail book as security, rather than risk property or other tangible assets.

Who do we partner with?

Mortgage
brokers

Financial
planners

Rent roll
business owners

Accountants

Other cashflow
businesses

Why are we right for your client?

- ▶ **No** hit on their credit file.
- ▶ **No** property required as security.
- ▶ **No** hidden costs or fees.
- ▶ Flexible loan terms up to five years.
- ▶ We specialise in the small loans that banks avoid. Size does not matter.
